To whom it may concern:

Over the course of three months, Elijah Shoemsmith has been an incredible asset to our modified Ambassador program. He created 13 pieces of content on Quora, eight videos for sharing on social media platforms, and three blog posts.

With his top-performing answer on Quora, he got over 9,900 views, boosting our engagement and signups. He also got featured on Quora digest multiple times, boosting our brand awareness even further. He makes sure that everything he does gets the results he wants.

Elijah is a quick learner and a self-motivated digital marketer who is ready to give his all to any team he commits to. We were so lucky to have had him in our program and we're sure any company would be even luckier to have him on their team.
